### Short-Listed Respondents for the Gordie Howe International Bridge Project

In July 2015, the Windsor-Detroit Bridge Authority (WDBA) began its procurement process to select a private-sector partner to design, build, finance, operate and maintain the Gordie Howe International Bridge project.

Following a rigorous evaluation, the first stage of that procurement process – the Request for Qualifications stage – is now complete and the three highest ranking teams have been short listed to move forward to the second, or Request for Proposals, stage of that process.

The three Short-Listed Respondents are:
